Jare Jac Sampler 1949

ALMA MATER

I

Our strong band can ne'er be broken.
Formed in Fairfax High—
Far surpassing wealth unspoken.
Seal'd by friendship's tie.

CHORUS

Alma Mater, Alma Mater,
Deep graven on each heart,
Shall be found unwav'ring true,
When we from life shall part.

II

Mem'ry's leaflets close shall twine
Around our hearts for aye,
And waft us back, o'er life's broad track
To pleasures long gone by.

III

High school life at best is passing,
Gliding swiftly by;
Then let us pledge in word and deed,
Our love for Fairfax High.

A word about the book . . .

"As with other subjects of the school which provide peculiarly for social development, the world war called attention to the value of musical knowledge for the common man, and the years since have witnessed an evolution of offerings prophetic of the future place of music in the training of the citizens of tomorrow."—Anne E. Pierce—U. S. Office of Education.

So, in this, the FOURTEENTH VOLUME of the FARE FAC SAMPLER, we present to you our music department—something of its history and prophecies for its future in training the citizens of Fairfax High School so that we may say with Longfellow—"Music is the Universal Language of Mankind."

A Bright Note in our Life

"Music is the art of arts, the alphabet and the science, the incentive and the crown of that education which is the surest promotion of good citizenship, as well as of enjoyment." VERDI.

To those through the years who have, with their interest and guidance, promoted the musical activities of FAIRFAX HIGH SCHOOL, we the students do, with deep appreciation, dedicate this Fourteenth Volume of the FARE FAC SAMPLER to:

Mrs. Doris Stowe	1935-36
Mrs. Louis Colangelo	1935-36
Miss Mattie Miller	1936-39
Mrs. Jean Johnson Rust	1939-41
Mr. Harry Stanley	1939-41
Mrs. Nellie Mae Pettit	1940-42
Mr. Paul Stenger	1941-42
Mrs. Julia Coleman	1942-43
Mrs. Anne K. Shuler	1943-45
Miss Margaret Marymont	1945-46
Mrs. Jean Freeman	1946-47
Mr. William Manvell	1942-48
Miss Geraldine Estep	1947-
Mr. Phillip Fuller	1948-

Aims

To meet financial problems.

To raise the caliber of the paper to meet the standards of press associations, to submit the paper for criticism to these associations, and to compare our publication with those from other schools of the same class.

To publish a paper which will meet the needs of Fairfax High School.

To prepare for the welfare of the newspaper next year.

As the SAMPLER goes to press, it is too early in the year to say whether or not we will completely reach these aims. However, the staff feels that *Fair Facts* is well on the way to the fulfillment of all of its goals for the year.

The aims established by the Epsilon Delta Literary Club are: to foster an interest in literary activities; to develop an appreciation in reading, speaking, acting, debating, and creative writing; and to train pupils for out state contests of the Virginia Literary and Athletic League.

These aims have been achieved during the 1949-49 session: active participation in various literary contests, dramatics, and public speaking; a program at every meeting; several social activities during the year; a poetry contest among members of the club; and increased membership and interest.

In memory of Sandra Keyes, an active member of the Club, who was taken by death in January, 1949, Epsilon Delta presented two books to the library.

The Library Club is composed of those students who are interested in reading and in helping to improve the library, both in appearance and usefulness. They have stimulated reading interest by the arrangement of bulletin board displays, posters, and book talks. Through their instruction in how to use the library, they have helped other students to become better acquainted with its facilities. They have done much to improve the appearance of the library and to keep it neat at all times.

The club sponsored a movie, the proceeds of which were used in buying a book truck for the new library. They contributed a complete place setting to the cafeteria. During book week they gave a faculty tea. The high light of the year was a visit to the Library of Congress.

The Fairfax Chapter of the F. F. A. is part of the national F. F. A. organization whose members take vocational agricultural training in high school. The Fairfax Chapter is just beginning to reorganize and since this is a very complex organization, complete harmony, and smooth functioning takes time. There are many aims and objections of the F. F. A. and each organization strives to list its course of action and to accomplish them within each year.

Here at Fairfax, we must learn to work together and make the F. F. A. well-known and successful. We, the members, plan and are expected to work cooperatively as a well-knitted team. We are buying seed and other agricultural items together and plan to market produce under the F. F. A. as one unit. We will help other agricultural agencies in all community activities such as Japanese Beetle Control. We have meetings scheduled once a month at which some prominent speaker or one who has a background of new or practical agricultural information is secured. For recreation the F. F. A. Chapter has a basketball team, is building a baseball team and is planning to train all members in rifle shooting and select from these members the best for a rifle team.

Above all, our organization is here for the purpose of building high moral character, friendship for fellow men, to develop responsibility, and to grow professionally.

Accomplishments:

This year the Pep Club has helped to grow interest of the students of Fairfax High by getting them more interested in the things going on in their school life at the beginning of the year. We assisted in the decoration of the field for the football games, also by organizing a "Cheering Section" which was lead by our cheerleaders.

Later in the year, we backed up the Mile of Dimes by putting over the drive and still later when we discovered we needed money and supplies for the cafeteria, we sponsored a "Glass Drive," which saved the cafeteria the expense of buying glasses.

The most recent activity the Pep Club has taken part in, was the Mazagine Drive. In order to do this we gave a special Assembly Program including a play and some new "magazine cheers" by our cheerleaders.

The Glee Club is a club which functions as a class rather than as an extra-curricular activity as in the past. This has enabled us to give more programs than before.

We opened our concert season with a performance at the county teacher's meeting in the fall. Our next big event was the Thanksgiving Assembly which was simple but impressive with Rev. Gruver giving a brief talk and the Glee Club singing two appropriate anthems.

A high light of the year was the Christmas program which was in the form of a tableau depicting the Nativity with the story told by narrator and the carols by the girls.

Our biggest undertaking this year was a series of concerts given in conjunction with the band in the elementary schools of the county. It is hoped that these concerts will arouse a great deal more interest in taking music when these students come to high school.

An eagerly awaited event of the year was the District IV Vocal Festival held at Madison College in Harrisonburg. We spent quite an enjoyable day listening to other Glee Clubs and soloists and performing ourselves. The judge's criticism of our work was very helpful and stimulating.

Last but not least we sang for the Baccalaureate Sermon and for graduation.

We feel that we have had a most enjoyable year and have made a worthwhile contribution to the school.

The Band was organized in September with a membership of thirty-six, twenty of whom were beginners. It performed at all the home games in football season, although it only marched at two of these. After football season it settled down to the important work of the year—the development of a concert band. It moved into its new quarters the latter part of November. Its first program was the Christmas Concert. The second semester found its membership settled down to thirty-one students, full of hope and ambition for the future. The month of March found the band starting upon a series of concerts to be presented in the nine communities whose grade schools feed into F. H. S. An invitation was received for the first time to attend the Apple Blossom Festival. After the Community Concerts, the band set to work on a Spring Festival Concert, to be presented shortly before the close of school.

The band set out this year on a very ambitious six-year program which it hopes will develop a 75-piece concert band which will be one of the outstanding bands in the state of Virginia. The Fairfax High School Area Band Association was organized, consisting of a band committee in each of the nine communities we serve, and a "Booster" Club for the High School.

An eighth grade band was organized for the first time, and each of the nine elementary schools had a band organized immediately after Christmas vacation. With the tremendous progress shown by the High School band and a wealth of talent coming up from the grade schools our school can look forward to having an excellent band in the not-too-distant future.

The Majorette Corps, under the supervision of Mr. Fuller, meets every Wednesday and Thursday for the purpose of practice. All members except three are new. These new members are drilled by the three veteran majorettes of last year.

Aims for the year:

To teach any students who are interested in majorettes to march and twirl.
To learn new march steps.

Accomplishments:

All members were taught to march and twirl.
March for school games.
Acquired a mascot for the corps.
March at parades in Washington.
Led Handley High School in the Apple Blossom Festival at Winchester.

High school life at best is passing,
Gliding swiftly by;
Then let us pledge in word and deed,
Our love for Fairfax High.

VARSITY FOOTBALL SQUAD

First row: Mr. Edmondson (Coach); Knicely, Driefer, Barrett, D rant, Tomlinson, (Captain), Dowell, Beach, Fones, Saffer, Broaddus, Pope, (Assistant Coach).

Second row: Clark, Tait, Horsman, Roseberry, Watts, Moravitz, Cannon, McClure, Koert, Bonner, Chappell.

Third row: Kline, (Manager), Williams, (Manager), Reiter, Lageman, Reeves, Twombly, Williams, (Manager), Spilman, (Manager).

We did not leave a very impressive record, but we did leave a good mark. We showed that we had spirit. If we were losing by thirteen points at the half we would come back and tie it up in the second half.

Mr. Edmondson only had four starters to build his team around. He only had four or five other lettermen to fill the other vacancies. Another thing to take into consideration is the fact that there are only 800 students in this school, and George Washington and Washington-Lee have at least that many boys in their schools. Also many of the boys live on farms or live a great distance from this school and could not go out for the team. Some of the boys that made the team walked fifteen miles to their homes every night and many of them had chores to do when they reached home.

Winning games is not the only aim of playing football. It is used to build up the boy's physical condition and gives them self confidence. It is used to induce the element of sportsmanship to them. And, too, many of the boys improve socially and gain friends.

A new coach was introduced this year and it was an unlikely year for him. Next year, and the years to follow will see him come around with some winning teams.

JUNIOR VARSITY FOOTBALL

First row: Harkness, Case, Bonnet, Blaine, Buhl, McLane, Sherfey, Woofender.
Second row: Freeman, Loy, Stover, Poland, Russell, Kerrick, Flemming.
Third row: St. Clair, Shelton, Kerykendall, Payne, Dismuke, Dove, Edmonds, Plaugher, Tait, Walker, (Coach).
Fourth row: Brill, Cline, Rice, Huguley, Bowman, Huguley, Lolar.

Our Junior Varsity football team had a prosperous year, considering the lack of experience and reserve strength. We were well coached by Mr. Ross Walker; but, just did not have the power to win from the superior teams we played. Our opponents were heavier and better talented.

Our prospects for the coming season seem to be very good. We will have some capable repeaters from this past season who are reasonably good. Also, we are expecting some new talent from the incoming students who will join us this fall. We are certainly hoping for a good season next year.

VARSITY HOCKEY

Although the Fairfax girls have made a good record in hockey in the past, this year has been the best season in our hockey history. The fast moving aggressive rebelettes completed the season as undefeated champions in this area.

Because of the speed and drive in the forwards and to the brilliant defensive play of the backs few opposing teams were able to press past the rebeletts twenty-five yard line.

Although the team had a long, tough schedule, they kept up their spirit to the end of the season. The boys gave a fine example of this spirit by the excellent showing they made in the county tournament.

Although many of the players are leaving this year, we hope to build a better team next year with the players that are coming back.

The Junior Varsity Basketball team had a fairly successful season, compared with their lack of height. The team played twenty games and the entire team gained a good deal of experience.

The experience they gained this year should be helpful to varsity team next year.

Mr. Edmondson helped Mr. Walker by taking over the boys' team, keeping them in good shape and playing spirit at all times.

The girls' team had a tough schedule of seventeen games. They had excellent spirit and kept it through bad games and good. Although they lost several games, most of them were very close games. They played in the finals of the county tournament and lost by only a few points.

Several of the players are leaving this year, but many are returning and we hope to have a fine team next year.

VARSITY BOXING

The boxing team came up with just about as many rookies as veterans. The rookies, however, played an important part in the making of the team.

It takes a lot of hard work to have a winning boxing squad. There are rules that must be followed, and training that is necessary in order to keep in shape.

The boys took on seven schools and finished the season an undefeated team. This was the boxing team's first undefeated season, which illustrates they were hard-hitting, hard-punching boys.

By the victories that they rolled up, it looks as though they stuck to the rules and really fought hard.

After much practicing of a lot of boys the baseball team was thinned out to a small team. This small team proved to be rather powerful. They had a schedule of approximately twenty games and managed to come through without all losses.

There were a lot of vacant spots left on the field after last year's graduates left, but with the aid of some newcomers our Rebels were back in there swinging again.

With a fine team closing its season this year, we hope to have an even better team next year.

The girls' softball team opened their season with much enthusiasm. Although they were not too well equipped with pitchers and first basemen, a good team was developed.

These Rebelettes spent a great deal of time practicing, as do the other teams and deserve a lot of credit. Practice makes perfect, and that is what the girls constantly strived for.

The girls went right through their season, taking on whatever came. They had a tough schedule, but came through with many victories.

Their fine display of sportsmanship helped to make them a winning team.

Since a large number of boys have reported to Coach Edmondson for this year's track team, the season promises to be an outstanding one for Fairfax High School.

If the boys do well in the meets that are scheduled, and if it is possible, we may send several boys to the state meet.

We know the boys are working hard and we hope they have a good season.

To our good friends—The Advertisers

This Volume of THE FARE FAC SAMPLER, as well as those of the past, has been made possible in large measure by the interest, cooperation and financial support of those advertisers whose names appear in this section. To show our appreciation for this support, we urge that when you need services which any of our advertisers can give, you consider those who have so generously contributed. Be certain that they know your patronage has been suggested because of their support of this publication.

Acknowledgment

We, the students and faculty of Fairfax High School, wish to express to the editor, the sponsor and the entire staff of the FARE FAC SAMPLER our gratitude and appreciation for the efforts put forth in making the Fourteenth Volume of our book a success, thus giving us another accomplishment to add to our advancing record of progress.

The staff would like to take this opportunity to thank Mrs. Hopper, our advisor, for her guidance and help; Mr. MacIntyre and Merin-Baliban for their services and cooperation with our photographs; Mr. Penny and Mr. Hicks of Brown-Morrison for their efforts in producing this book, the finest we have ever edited; all our advertisers who have made our undertaking an overwhelming financial success; the willing group of typists and other helpers not on the staff who have worked endlessly without credit; and all other individuals who have contributed in any way to the successful completion of our task.
